Impact Story – Helping near and far

Thank you for helping our Ukrainian family recently. The family were already living in Port Talbot and they applied for a visa for their elderly mother (Ohla). I took the family initially to the shop in Briton Ferry. Chloe was really helpful picking out furniture for Ohla. The sofa in the shop wasn't suitable and Chloe arranged for us to go to the Neath shop to view an alternative sofa. We met with Chris who was also very accommodating and helpful. They arranged between them to have the furniture all delivered at the same time. Communication was superb and the goods were delivered promptly. Ohla is now very settled in her new home and them being able to pick out what they wanted was appreciated. Thank you.

Our Mission
